in transcending patterns silk road cultural and artistic interactions through central asian textiles mariachiara gasparini investigates the origin and effects of a textile mediated visual culture that developed at the heart of the silk road between the seventh and fourteenth centuries through the analysis of the turfan textile collection in the museum of asian art in berlin and more than a thousand textiles held in collections worldwide gasparini discloses and reconstructs the rich cultural entanglements along the silk road between the coming of islam and the rise of the mongol empire from the tarim to mediterranean basin exploring in detail the iconographic transfer between different agents and different media from central asian caves to south italian churches the author depicts and describes the movement and exchange of portable objects

such as sculpture wall painting and silk fragments across the asian continent and across the ages gasparini s history offers critical perspectives that extend far beyond an outmoded notion of silk road studies her cross media work shows readers how certain material cultures are connected not only by the physical routes they take but also because of the meanings and interpretations these objects engage in various places transcending patterns is at once art history material and visual cultural history asian studies conservatory studies and linguistics

the exciting recent developments in our understanding of the history of the indo iranian languages and their speakers are surveyed and assessed by a group of internationally renowned linguists and archaeologists in the last few years the materials available for the study of the older indo iranian languages have increased dramatically there have been sensational discoveries of texts in the ancient languages of north west india and northern afghanistan previously known data has been exploited in new ways using innovative techniques for compiling manipulating and disseminating electronic text and digital images and archaeological finds in india pakistan and central asia have given rise to new hypotheses concerning the history and pre history of the indo iranian peoples

in the great tradition of publications on chinese art from the metropolitan museum china dawn of a golden age will become an essential text for years to come this book is the catalogue for a major exhibition at the metropolitan museum of art october 5 2004 to january 23 2005
