praise for the previous edition this is a passionate and practical book teaching in higher education this book offers valuable insights into a process for becoming a reflective learner and for developing students into reflective learners as well studies in higher education this significantly revised edition includes the most current thinking on reflective learning as well as stories from academics and students that bring to life the practical impact of reflection in action based on sound theoretical concepts the authors offer a range of solutions for different teaching situations taking into account factors such as group size physical space and technology they also offer facilitation rather than traditional teaching methods as a productive and useful skill that helps teachers and encourages students to interact and develop reflexive skills that can be used beyond their student years based on rigorous theories facilitating reflective learning in higher education offers new insights for university and college teachers seeking to enhance or diversify their practices and allows them to effectively facilitate their students reflective learning

this textbook offers strategic management topics in conjunction with traditional cost accounting material over the last decade much research has been published that redefines the role of the cost accountant with the organisation this research suggests that firms today are looking for

accountants who understand the needs of management and can provide input in decision making the authors include discussions about strategy and decision making as well as research from prominent professionals such as michael porter and john shank the distinguishing features of this book are its strategic cost management framework and the emphasis on using cases

humanity by john hammett and katie mccoy is an urgent theological study of the doctrine of humanity the authors shed light on the philosophical cultural and spiritual influences that constantly challenge the dignity of human existence

this book identifies and addresses the major issues confronting elementary school counseling services today it emphasizes a proactive counseling program with the counselor as part of the educational team

the priesthood of all believers is a pillar undergirding protestant ecclesiology yet the doctrine has often been used to serve diverse agendas this book examines the doctrine's canonical catholic and contextual dimensions it first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 it secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with christendom chapters 4-6 and a suppression of the doctrine's missional component finally the book argues that a christian doctrine of the priesthood of all believers should be developed with a christocentric trinitarian understanding of the missio dei this suggests there are especially appropriate ways for the royal priesthood to relate to the father to the son and to the holy spirit a canonically and catholicically informed priesthood of all believers leads contextually to particular ecclesial practices these seven practices are 1 baptism as public ordination to the royal priesthood 2 prayer 3 lectio divina 4 ministry 5 church discipline 6 proclamation and 7 the lord's supper as the renewal of the royal priesthood

according to bruce ashford and craig bartholomew one of the best sources for regaining a robust biblical doctrine of creation is the recovery of dutch neo calvinism tracing historical treatments and exploring theological themes ashford and bartholomew develop the kuyperian tradition s rich resources on creation for systematic theology and the life of the church today
