the sith in the real world is a philosophy of discipline and mental training empowering us to achieve the possible it's a philosophy that is enamoured with strength and power the individuals that wish to be a compelling leader and thought leader for the world to seek the self liberation and opportunities that are offered us empowering us to pursue our purpose and seize opportunities for self development growth and transformation victory is what we aim for overcome the things that hold back growth we seek a memetic and philosophical answer to the modern distortions of what suits us all a people have been tainted by the outgrowth of modern government and status quo influence unwilling or unable to move beyond the confines by fears doubts and complacency all forms of stagnation that oppose the will the world has confined everything into self limitation and hindrance that prevent people from being at one with their true nature we wish to embrace our instincts and emotions fuel our passion and acquire strength power and victory to break the chains

since it first appeared over 500 years ago the elucidation of necromancy lucidarium artis nigromantice and the closely related heptameron have become essential guides for individuals seeking to call on angels and other supernatural beings for help countless amulets and pendants have been made with its designs and elements have repeatedly

been adapted and incorporated into other manuals of ritual magic in spite of this neither a critical edition nor a translation has been previously published in particular three manuscripts of lucidarium have come to light recently which provide a clearer and fuller ritual than the printed heptameron for example they add critical instructions for making the seven angel sigils which have become so widely known together they bring to life this important current of esoteric tradition showing how it has been repeatedly adapted and used by different individuals for centuries
