these essays from leading names in the field weave together the parallels and differences
between the past and present of civic art offering prospects for the first decades of the
twenty first century the authors open up a broad international dialogue on civic art which
relates historical practice to the contemporary meaning of civic art and its application to
community building within today s multi cultural modern cities the volume brings together
the rich perspectives on the thought practice and influence of leading figures from the
great era of civic art that began in the nineteenth century and blossomed in the early
twentieth century as documented in the works of werner hegemann and his
contemporaries and considered fundamental to contemporary practice
