the story of the beothuk is a tragic one the indigenous inhabitants of newfoundland were hunters

gatherers and fishers who moved seasonally between the coast and the interior with the influx of european settlements and fisheries in the 1700s the beothuk found their territory increasingly reduced and conflict between the two groups escalated the beothuk population steadily declined and by the early 1800s the beothuk had ceased to exist as a viable cultural group shanawdithit the last known beothuk died in 1829 the beothuk came to be viewed as a people whose origins history and fate were shrouded in mystery on a quest to sort fact from fiction ingeborg marshall the leading expert on the beothuk has produced an elegant comprehensive and scholarly review of the history and culture of the beothuk that incorporates an unmatched amount of archival material with archaeological data the book is beautifully and extensively illustrated with maps portraits photographs of beothuk artifacts burial sites and camps and a set of drawings by shanawdithit a history and ethnography of the beothuk is a compelling story and an indispensable reference tool for anyone interested in the beothuk or indigenous peoples of north america
