in substance is a comprehensive handbook on the topic of addiction the book explores the phenomenon of substance and behavioral addictions in its entirety from scientific research to clinical practice intertwining neurobiological psychological social and therapeutic perspectives with contributions from more than one

hundred italian and international authors the volume examines the complex nature of addictive behaviors and their many forms from substance use disorders to emerging behavioral addictions as well as the latest approaches to treatment and prevention in substance was conceived to fill a gap in the italian landscape offering an updated and accessible collection of current knowledge on addiction and recovery pathways it combines scientific rigor with human depth making it an essential resource for mental health professionals addiction specialists students and anyone seeking a deeper understanding of vulnerability self control and change

il libro descrive un paese profondamente iniquo in cui lo sport è specchio fedele di tale deriva il cui comitato olimpico anziché occuparsi del proprio ambito gestisce l intero delicatissimo settore sacrificando aspetti come divertimento uguaglianza educazione socializzazione salute e lasciando briciole allo sport per tutti un paese il cui sistema sportivo strumento di propaganda politica e facile preda dei poteri economici pur essendosi dato un orientamento verticistico ottiene solo pallidi risultati agonistici e gestionali da questo e da una generale assenza di cultura sportiva si innescano effetti a catena di enorme portata doping reclutamento precoce abbandono giovanile una popolazione fisicamente passiva e sempre più soggetta al sovrappeso eppure esiste una categoria professionale di cui non si parla ma che costituisce al tempo stesso la soluzione del problema e paradossalmente il simbolo della disoccupazione e del precariato quella dei laureati in scienze motorie quel che resta è uno sport nazionale quindi svuotato dei suoi significati più autentici ed esclusivamente teso alla produzione di uno mero spettacolo
