the third edition of this successful textbook introduces students to the major concepts models and approaches surrounding the public sector now fully updated to include coverage of the new public management npm the public sector is the most comprehensive textbook on theories of public policy and public administration the public sector is introduced within a three part framework public resource allocation redistribution and regulation jan erik lane explains the basic concepts of each of these broad areas and goes on to examine their consequences for various approaches to the making and implementation of public policy the book explores models of management effectiveness and efficiency and evaluates the contribution among many of public choice and neo institutionalist approaches organizational theory models of normative policy making and expanded in this edition the theory of fiscal federalism the new edition retains chapters on public sector reform and continues to contrast the logic of the new

management state with that of the old administrative state before introducing the basic ideas of new public management the public sector will be essential reading to all students seeking a deeper understanding of the modern state and government across political science and public policy administration and management

no detailed description available for new frontiers in the public sector management

no detailed description available for the public sector

the seventh edition of the bestselling public sector management is a rich and insightful description analysis and critique of the management of the public sector by the uk government new to the seventh edition now set in an international context with comparative global examples throughout three new chapters covering strategy and planning in the public sector transparency accountability and ethics and non profit management including the role of social enterprise and the voluntary sector examines the impact of the continuing financial crisis on public spending an updated companion website with tutorial videos free access to full text journal articles policy documents links to useful websites and social media resources public sector management is essential reading for undergraduate and postgraduate students studying public sector management as part of a business management or politics degree

in a time of unprecedented turbulence how can public sector organisations increase their ability to find innovative solutions to society s problems leading public sector innovation shows how government agencies can use co creation to overcome barriers and deliver more value at lower cost to citizens and business through inspiring global case studies and practical examples the book addresses the key triggers of public sector innovation it shares new tools for citizen involvement through design thinking and ethnographic research and pinpoints the leadership roles needed to drive innovation at all levels of government leading public sector innovation is essential reading for public managers and staff social innovators business partners researchers consultants and others with a stake in the public sector of tomorrow

in recent decades we have witnessed an increasing use of projects and similar temporary modes of organising in the public sector of nations in europe and around the world while for some this is a welcome development which unlocks entrepreneurial zeal and renders public services more flexible and accountable others argue that this seeks to depoliticise policy initiatives rendering them increasingly technocratic and that the project organisations formed in this process offer fragmented and unsustainable short term solutions to long term problems this volume sets out to address public sector projectification by drawing together research from a range of academic fields to develop a critical and theoretically informed understanding of the causes nature and consequences of the projectification of the public sector this book includes 13 chapters and is organised into three parts the first part centres on the politics of projectification specifically the role of projects in de politicisation often accomplished by

rendering the political technical the chapters in the second part all relate to the reframing of the relationship between the centre and periphery or between policy making and implementation and the role of temporality in reshaping this relation the third and final part brings a focus upon the tools techniques and agents through which public sector projectification is assembled constructed and performed

theory and practice of public sector reform offers readers differing theoretical perspectives to help examine the process of public sector reform combined with an overview of major trends in the core areas of the functioning of the public sector the book consists of three parts the first addresses a number of conceptual and theoretical perspectives on public sector reform it shows how different ways of looking at reform reveal very different things the second part addresses major changes in specific areas of public sectors objects of reform part three focuses on the study of public sector reform aimed at academics researchers and advanced students this edited collection brings together many of the most eminent academics in the area of public policy and management seeking to link to theory in part one and insights into specific thematic areas in part two offering readers a display of theoretical perspectives to look at public sector reform

at last a textbook on the public sector for students of social policy public policy political science and sociology this book explains why we have a public sector and what tasks it is expected to perform

state administration in modern industrialized countries is facing major challenges to its basic institutional premises the changing conditions of the global economy mean that the public sector needs to develop far reaching strategies for innovation a fundamental reform of the public sector is thus one of the most urgent issues on the international agenda the volume examines and compares trends issues and experiences of this reform process in sweden and germany

in der zweiten auflage des sammelbandes geht es um beiträge mit denen unter berücksichtigung bisheriger nationaler als auch internationaler erfahrungen gestaltungsvorschläge für die weiterhin notwendige optimierung des aufbaus und des management des öffentlichen dienstes präsentiert werden dabei geht es nicht nur um die entwicklung planungs und designtheoretisch zu optimierender gestaltungsentwürfe sondern immer auch um gesichtspunkte einer praktischen politischen um und durchsetzung

drawing together key contributions to the field this innovative reader provides a broad ranging overview of both the theory and practice of public service management the book outlines the social political and economic contexts in which management has emerged as a crucial issue in the public sector of modern democratic countries introduces the major theories issues and concepts involved in defining and understanding public sector management analyzes some of

the key values underpinning the idea of the public domain and examines some of the main challenges in terms of particular strategies techniques and competences which have been proposed to improve management for public services public sector management is

the public sector in many countries remains a major part of the economy in terms of both employment and provision of services but the last 15 years it has undergone a revolution in structure performance and management thinking exploring public sector strategy the latest book in the exploring corporate strategy series explores how strategic management theory and practice is applicable to public sector organisations tiré de l endos du livre

in these times of dramatic social economic and political change governments around the world are questioning their roles and responsibilities in the public sector there is a trend away from traditional public sector model and that of market ideology but there does not yet exist a universally accepted alternative brendan nolan offers a comparative analysis of public administration in several oecd countries the uk usa australia and scandinavia and explores possible future directions

following on from the success of the editors previous book new public management the transformation of ideas and practice which examined the public reform process up to the end of the last decade this new volume draws on the previous knowledge both theoretically and empirically it examines and debates the post new public management reform development in denmark norway sweden australia and new zealand the ideal follow up to the previous volume this book includes many of the same contributors in addition to some fresh voices and is a must for anyone looking for an integrated framework of analysis comprehensive and analytical it is an important contribution to the study of public administration and particularly to the reform of public management

the cq press career guide for public affairs students is a powerful introduction to the job market for undergraduate and graduate students looking to take that important first step into the public sector written by researcher michelle c pautz of the university of dayton this first edition guide focuses on defining the public sector and the opportunities that exist guiding students through their curriculum choices while in school building up career skills supplementing schooling with outside opportunities humanizing the options in the public sector through real life success stories from students and most importantly finding and embracing students passion

many countries are still struggling to adapt to the broad and unexpected effects of modernization initiatives as changes take shape governments are challenged to explore new reforms the public sector is now characterized by profound transformation across the globe with ramifications that are yet to be interpreted to convert this transformation into an ongoing state of improvement policymakers and civil service leaders must learn to implement and evaluate change this book is an important contribution to that end reforming the public sector

presents comparative perspectives of government reform and innovation discussing three decades of reform in public sector strategic management across nations the contributors examine specific reform related issues including the uses and abuses of public sector transparency the audit explosion and the relationship between public service motivation and job satisfaction in europe this volume will greatly aid practitioners and policymakers to better understand the principles underpinning ongoing reforms in the public sector giovanni tria giovanni valotti and their cohorts offer a scientific understanding of the main issues at stake in this arduous process they place the approach to public administration reform in a broad international context and identify a road map for public management contributors include michael barzelay nicola bellé andrea bonomi savignon geert bouckaert luca brusati paola cantarelli denita cepiku francesco cerase luigi corvo maria cucciniello isabell egger peitler paolo fedele gerhard hammerschmid mario ianniello elaine ciulla kamarck irvine lapsley peter leisink mariannunziata liguori renate meyer greta nasi james l perry christopher pollitt adrian ritz raffaella saporito mariafrancesca sicilia ileana steccolini bram steijn wouter vandenabeele and montgomery van wart

public sector strategy explores how strategic decisions are developed and implemented in the public sector and examines the psychology underpinning strategic decision making combining knowledge from traditional perspectives with contemporary insights on strategic management this book considers how managers make their decisions and provides key concepts and practical tools to aid delivery of strategy within highly institutionalised settings this book provides theoretical grounding real life global cases and practical examples of strategic decisions in an international public sector context by working through the underpinnings of strategy the influencing factors of strategic decision making strategic implementation and strategic tools in practice it should be a core textbook for advanced undergraduate and postgraduate students studying public sector strategy and strategic management more broadly it will also be of benefit for public sector managers consultants and private sector organisations who wish to interact with the public sector

many countries are still struggling to adapt to the broad and unexpected effects of modernization initiatives as changes take shape governments are challenged to explore new reforms the public sector is now characterized by profound transformation across the globe with ramifications that are yet to be interpreted to convert this transformation into an ongoing state of improvement policymakers and civil service leaders must learn to implement and evaluate change this book is an important contribution to that end reforming the public sector presents comparative perspectives of government reform and innovation discussing three decades of reform in public sector strategic management across nations the contributors examine specific reform related issues including the uses and abuses of public sector transparency the audit explosion and the relationship between public service motivation and job satisfaction in europe this volume will greatly aid practitioners and policymakers to better

understand the principles underpinning ongoing reforms in the public sector giovanni tria giovanni valotti and their cohorts offer a scientific understanding of the main issues at stake in this arduous process they place the approach to public administration reform in a broad international context and identify a road map for public management contributors include michael barzelay nicola bellé andrea bonomi savignon geert bouckaert luca brusati paola cantarelli denita cepiku francesco cerase luigi corvo maria cucciniello isabell egger peitler paolo fedele gerhard hammerschmid mario ianniello elaine ciulla kamarck irvine lapsley peter leisink mariannunziata liguori renate meyer greta nasi james l perry christopher pollitt adrian ritz raffaella saporito mariafrancesca sicilia ileana steccolini bram steijn wouter vandenabeele and montgomery van wart

every leader is a reader harry truman once said while corporate leaders have an entire genre of business leadership to choose from public sector leaders have a limited choice of books that offer leadership advice relevant to their context in the public sector ceo author borko handjiski closes this gap by offering a toolbox of managerial best practices inspired by successful public sector leaders or adopted from the corporate world but tailored to the public context inspired by former president obama s simplistic yet profound advice just learn how to get stuff done this guide offers sixteen actionable managerial best practices that touch on the unique aspects of leading a public sector organization the topics revolve around managing yourself managing your organization and managing external stakeholders each best practice starts with real life examples of how leaders of public sector organizations fail and it ends with a structured set of actions backed by experiences of successful leaders the public sector ceo s insights come from interviews with more than thirty government leaders including former prime ministers ministers mayors and heads of government agencies and a survey of thirty senior government executives from around the world lastly the content incorporates handjiski s twenty years of experience in advising public sector leaders and the latest literature on these topics
