exploring the issues of class through in depth studies of housing sport art music and politics in britain class and everyday life persuasively demonstrates the pervasive influence of class on everyday life and the need to centre a radical understanding of class within emancipatory political movements the need for a more expansive understanding of class is politically urgent there is a disconnect between descriptive and analytical approaches to class and the politics of class and realities around how class is lived discourse has been shaped by top down frameworks of analysis and measurements which have stripped the study of class of its political radicalism this book makes the case for a sociology of class which is informed by a politics of class based upon using the everyday as the point of enquiry it presents a sociology of class from the bottom up which focuses on everyday life and the point at which class is made and remade in doing so it advocates for an attentiveness to class and everyday life through a conjunctural analysis using an everyday lens this book examines how the shifting conjunctures manifest in everyday spaces in classed ways and how such changes are negotiated resisted and shape the working class subject and communities this is based upon an understanding of everyday

classed experiences which identifies and challenges inequalities while also recognising value and hope this perspective aims to offer a recognition of both the opportunities and challenges of class as a way of developing a stronger more politicised understanding of class which takes solidarity and class community power seriously to resist inequality and develop emancipatory politics this urgent and impassioned book will be essential reading for students academics and activists with an interest in the lived experience of class in britain today

with an emphasis on everyday life this respected text offers a lively and perceptive account of the key theories and ideas which dominate the field of consumption and consumer culture this third revised and expanded edition is a major update of the text of the second edition adding new chapters on youth culture and consumption retail psychology gender and consumption the globalization of food and digital consumption and platform capitalism theoretical perspectives are introduced such as theories of practice critical theory semiotics and psychoanalysis examples from film literature and television are used to illustrate concepts and trends in consumption and a wide range of engaging and up to date case studies of consumption are employed throughout historical context is provided to help the reader understand how we became consumers in the first place written by an experienced teacher the book offers an accessible and thought provoking introduction to the concept of consumption for students in sociology cultural studies human geography history anthropology and social psychology

henri lefebvre boredom and everyday life culls together the scattered fragments of henri lefebvre s 1901 1991 unrealized sociology of boredom in assembling these fragments sprinkled through lefebvre s vast oeuvre patrick gamsby constructs the core elements of lefebvre s latent theory of boredom themes of time modernity everyday space urban suburban and mass culture culture industry culture are explored throughout the book unveiling a concealed dialectical movement at work with the experience of boredom in analyzing the dialectic of boredom gamsby argues that lefebvre s project of a critique of everyday life is key for making sense of the linkages between boredom and everyday life in the modern world

fusing audience research and ethnography the book presents a compelling account of women s changing lives and identities in relation to the impact of the most popular media culture in everyday life television within the historically specific social conditions of korean modernity youna kim analyzes how korean women of varying age and class group cope with the new environment of changing economical structure and social relations the book argues that television is an important resource for women stimulating them to research their own lives and identities youna kim reveals korean women as creative energetic and critical audiences in their responses to evolving modernity and the impact of the west based on original empirical research the book explores the hopes aspirations frustrations and dilemmas of korean women as they try to cope with life beyond traditional grounds going beyond the traditional anglo american view of media and culture this text will appeal to students and scholars of both korean area studies and media and communications studies

looks at how stories imagination come together in our daily lives influencing not only our thoughts

about what we see and do but also our contemplation of what is possible and what our limitations are from popular culture to everyday life presents a critical exploration of the development of everyday life as an object of study in cultural analysis wherein john storey addresses the way in which everyday life is beginning to replace popular culture as a primary concept in cultural studies storey presents a range of different ways of thinking theoretically about the everyday from freudian and marxist approaches to chapters exploring topics such as consumption mediatization and phenomenological sociology the book concludes drawing from the previous nine chapters with notes towards a definition of what everyday life might look like as a pedagogic object of study in cultural studies this is an ideal introduction to the theories of everyday life for both undergraduate and postgraduate students of cultural studies communication studies and media studies

provides a new and much needed appraisal of ireland s engagement with the phenomenon of modernity the path we have traveled from being a rural based religious traditional insular country to a secular highly prosperous economic hi tech centre has brought in its wake both problems and advantages engaging modernity evaluates how in the realms of politics culture and literature ireland has undergone a major paradigm shift this book is composed of a selection of papers from a conference held under the auspices of efacis european federation of centres and associations of irish studies in aalborg denmark in 2001 and organized by michael b ss it brought together academics and commentators from many european countries and the book bears witness to a diversity of opinions on ireland s recent evolution
