the day a person becomes a christian they have declared unknowingly a war
against the forces of darkness the first battle they will engage in is spiritual
warfare against every evil spirit they have encountered before giving up their
lives to jesus for instance if they were gossipers before the spirit of gossiping will
rage a war against them trying to win them back into their old habits if they were
sexually immoral before their conversion all the sexual demons in their location
would fiercely engage in a spiritual battle to return them to sexual immorality
when they managed to win those battles other evil forces could turn against them
when they were doing good witches and wizards study the stars in the sky to
foretell the future of the people around them a christian with a witch or a wizard
in his family or neighborhood must prepare for a spiritual battle this book is an
eye opener and a preparation for a christian who will see himself in the middle of
spiritual warfare
