am i meant to become a parent why can t i conceive what is my unborn child trying to tell me in this reassuring supportive and accessible book leading clairvoyant and medium walter makichen offers guidance to prospective parents eager to create a warm nurturing environment for their soon to be conceived or born children applying the wisdom and insights he has gained through twenty years of communicating with these spirit babies makichen helps you resolve issues about starting a family actively participate in the psychic process of creating a child and move past your worries and fears about becoming parents from the seven essential chakras that link our body mind and spirit to why pregnant women are superpsychic you ll discover how to create the energy that nurtures spirit babies how to understand how past lives and chakras relate to your unborn child the conception contract what it is and what it means for you and your child how karmic pairings affect conception and pregnancy why miscarriages occur and what they can signify plus spirit babies and guardian angels spirit babies and adoption spirit babies and dreams and much more featuring inspirational examples of couples who are now happy parents as well as breath exercises and healing meditations at the end of each chapter spirit babies tells you everything you need to know to become the parent you were meant to be

a six year journey six losses and three beautiful angels after losing her son jude in august 2020 a spark was ignited in carmen grover as she read through every diary that she kept for each of her babies rather than have them remain stacked under her bed carmen decided that her journals would make a difference the result has been an honest and poignant compilation of the ups and downs of

carmen s experience with pregnancy loss from rolling in the grass and convulsing on the kitchen floor in her cycle of grief to seeing the strength she could gain in the signs and special moments all around her a diary to my babies journeying through pregnancy loss shines a light on the darkness of pregnancy loss while also showing there is no right way to grieve and through her incredible journey carmen hopes the story of her family and her babies just might help others to heal

did you ever google pregnancy after 35 or getting pregnant at 40 for helpful advice and inspiration on your way to motherhood did your excitement and hope turn into disbelief and shock when your search turned up millions of gut wrenching stories on the risks and dangers of later pregnancies and the staggering rise of age related infertility in women the joy of later motherhood is the much needed antidote to all the negative hype surrounding motherhood at advanced maternal age which is 35 written by seasoned journalist bettina gordon wayne herself a first time mom at 44 and the third generation of women in her family who did not get the memo that conceiving a baby after 40 is dangerous if not outright impossible the joy of later motherhood is positive honest deeply human and an inspiring guide to mature motherhood that will undoubtedly boost your fertility and your chances of getting pregnant full of real life stories and helpful insights of more than 40 women over 40 and top natural fertility experts who all had natural pregnancies and healthy babies with love and candor these women tell of heartbreak like infertility diagnosis and miscarriage and triumph from healing diseases to finding their faith they share their stories in order to empower other women to approach the topic of later motherhood from a position of strength and courage and to show them what s possible and in fact natural if you are looking for a medical book focused on only the physical aspect of pregnancy this may not be the right one for you the joy of later motherhood is written by experts of a different kind it s written from the perspective of the women who actually achieved what millions of women are striving for naturally conceiving a healthy baby after 35 and especially after 40 you ll learn how to prepare for pregnancy even if you choose in vitro fertilization or were diagnosed with unexplained infertility or were trying to get pregnant for years you ll get advice on how to get pregnant naturally and what natural family planning methods worked for other women but maybe most importantly you ll learn that trying to get pregnant is not just a physical matter but also a matter of the mind and maybe even your spiritual beliefs as these women attest to the joy of later motherhood is for you if the following rings true you hear your biological clock ticking but you don t want to be in a panic about it like everyone else you are afraid that your body may fail you or that your contradictory thoughts i would love to have a baby but i don t think i can give up my freedom may influence your fertility you feel alone and isolated because you ve already experienced more than your fair share of heartache you need different perspectives to help you go on you wonder if it is fair to a child to have older parents and whether he ll have to shoulder the burden of an ailing mother or father long before his peers maybe you are worried or are upset maybe you doubt that motherhood will ever happen for you we get it we ve been there with our stories we want to lovingly see you through this journey as much as we can we ve got you

a powerful story of bereavement and how a mother finds purpose through afterlife communication in july 2014 ali norell s daughter romy died aged four months as a spiritual medium ali found her belief system to be challenged in the strongest way possible the

truth inside offers a deeply moving and at times surprisingly uplifting account of this experience and explores the possibility that we choose our path in life even one that includes heartbreak and tragedy in order to learn at the highest level this story documents how ali received communication from her daughter in spirit in a variety of ways and how this eventually helped her to process her grief and uncover her own life purpose

a pioneering birth psychologist combines a lifetime's worth of research with new findings to provide a fascinating look inside the minds of unborn children in the past the invisible physical processes of fetal development were mysterious and largely unexplainable but thanks to breakthroughs in embryology interuterine photography ultrasound and other sensitive instruments of measurement we can now make systematic observations inside the womb and can see that fetuses are fully sentient aware beings in this new climate of appreciation for the surprising dimensions of fetal behavior sensitivity and intelligence windows to the womb brings a host of new information to light about the transformative journey each one of us undergoes in the womb birth psychologist dr david chamberlain describes the amazing construction of our physical bodies the ultimate architecture and draws parallels with the expansion of our minds as our brains and senses develop and grow he also details new discoveries in embryonic and fetal research that support his own findings on the impact of the mother's emotional and physical state during pregnancy the importance of bonding at the earliest stages and the steps that expectant parents can take to ensure the most nurturing start in life for their children

a passionate true to life tale and hands on guide for self reflection journey to discover your authentic self what is your deepest desire and dream answering that question means showing up for yourself and that means committing to your own heroine's journey this is an invitation and a permission slip for all people to take up space in this world become an active participant in their own life and show up for their most authentic self consciously written honest and heartfelt nothing can stop you shares spiritual psychology and meditation teacher erin rachel doppel's search for meaning and self connection offering readers a plan for waking up to the many possibilities life presents and the steps to choose their highest possible timeline her engaging entertaining and often humorous narrative relates how she learned through trial and error that there are many false gurus in this world and that the key to limitless happiness is taking time to meet and trust your inner guru a self study book that blends eastern ritual and western psychology and invites you to bring more happiness practices into your daily life nothing can stop you shows you how to manifest your highest soulmate claim a life that fills you up with overflowing gusto and joy overcome decision fatigue and connect to crystalized clarity reshape your connection to regret grief fear and what if scenarios learn to support your inner voice choose actions that uncover and align with your most authentic self lean into your strengths heal negative thought patterns overcome your limiting beliefs with rituals and ceremonies nothing can stop you is an activator and proves that when we have the right tools and guidance trust in yourself and practice self inquiry transformation will occur allowing you to live on your highest timeline the book offers meditations rituals and frameworks on how to listen to your deepest yearnings and respond to the still small voice within a personal discovery and growth guidebook with reflective pauses and exercises in each chapter practical instructions for finding clarity within by following a set of steps designed to connect readers to their personal legacy energy everything you need to do the thing you truly desire to do rooted

in eastern ritual and western psychology with the transformational practice accounting for the soul the author shows readers how to get clear on what individual authenticity and audacity looks like and how to live in accordance with it as readers travel the world through erin s eyes they will see how she took action to reclaim her power and live the life of her dreams inspiring them to do the same face the blocks in your way and rise to your fullest potential even if you are your own biggest obstacle

explains how babies remember their experiences from the womb and birth as implicit memory impressions that are held in emotions images and the body examines scientific evidence of how preverbal memory works and how prenatals are highly responsive to their mother s perceptions looks at how to become aware of and acknowledge implicit memory from the womb as well as how to heal and prevent birth trauma in a world where it is believed that babies lack awareness somatic pre and perinatal therapist cherionna menzamis phd reveals that babies do perceive negative prenatal and birth experiences which can easily become unconscious shadow infiltrating the psyche and affecting personality relationships behavior and perceptions throughout life drawing on scientific evidence of how preverbal memory works the author shows how babies even before birth are exquisitely sensitive with remarkable potential she explains how babies remember the intensely formative experiences from this primal period as implicit memory and she looks at how prenatals are deeply influenced by their mother s perception of safety or threat including during labor and birth which affects their developing nervous systems examining the healing and integration of the prenatal shadow the author presents body awareness exercises reflection questions and meditative practices for sensing the little one within and offering them what they need she also shares stories about how clients were able to express their prenatal emotions changing their lives with these techniques by integrating the prenatal and perinatal shadow hidden just beyond conscious awareness we can heal our relationships with ourselves and our loved ones as well as reconnect with our original potential

the energetic fertility method tools for a healthy conception and beyond synthesizes principles of energy medicine and applies them to fertility to help you conceive using the chakra system as a guide it presents step by step advice on how to gain a deeper awareness of your body mind and spirit in order to bring them into alignment for a healthy conception discussing everything from how your relationship to your body affects fertility the impact of secrets and much more nancy mae offers a roadmap that can help you achieve the family youve always envisioned this groundbreaking book will not only prepare you for the journey of fertility it will provide you with tools that you can use for the rest of your life
