everything you need to start a business from creating a solid business plan and selecting a marketable name to business contracts taxes and reaching customers online

medical professionalism theory education and practice provides a comprehensive account of three tracks of medical professionalism the conceptual the teaching and assessment and the practical in a single resource from leading experts in the field

a comprehensive reference and treatise advising minnesota corporations and other business organizations examines thoroughly with detailed commentary and analysis the issues confronting a business from initial promotion and start up through governance financial distress confrontation and litigation to dissolution it answers the most critical questions that arise at a board meeting discussing internal corporation decisions and offers advice on external legal issues including advertising labor and employment international trade copyright and intellectual property bankruptcy and domestic relations written by two leading authorities and boasting over 30 contributing authors who practice variously at large full service law firms in house and in smaller specialized firms advising minnesota corporations and other business organizations is a required resource and reference work for every minnesota lawyer business lawyers and general counsel will find this work indispensable and lawyers in every area of practice will use this treatise to address common problems arising in the context of the business lives of their clients value package

texas rules of evidence manual provides an updated comprehensive reference to texas evidence for both civil and criminal cases the book provides a rule by

rule analysis of each rule of evidence this sturdy hard cover text is designed for heavy use in the courtroom this text helps those who are bound to use the texas rules of evidence whether it is the bench or the bar or those studying evidence while the text contains some academic discussions the book is designed to explain what a particular rule requires or prohibits to indicate what the appellate courts have said about the rules and to offer some practical pointers on using the rules the book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law following each rule is an editorial commentary on the rule explaining how the rule works what the texas courts have said about the rule and how it compares with the federal rule because texas courts often review federal precedent where they find it helpful in applying a texas rule when appropriate practical pointers are also provided on how to use the rule where the rules apply in the same fashion for both civil and criminal cases those points are discussed together on the other hand where they diverge the authors have used separate headings for civil and criminal when that seems appropriate one of the objectives of the editorial analysis in this text is to deal with the interrelationships of the various rules the authors have noted those areas where the rules differ from pre rules case law or statutory provisions some of the rules changed the prior texas evidence law and although many of the texas rules agree with the federal rules a number differ significantly

1970 issued in 2 vols v 1 general reference social sciences history economics business v 2 fine arts humanities science and engineering

an author and subject index of business education articles compiled from a selected list of periodicals and yearbooks published during the year
