the last half of the twentieth century has seen the emergence of literary theory as a new discipline as with any body of scholarship various schools of thought exist and sometimes conflict within it i r makaryk has compiled a welcome guide to the field accessible and jargon free the encyclopedia of contemporary literary theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years some 170 scholars from around the world have contributed their expertise to this volume their work is organized into three parts in part i forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose the essays also discuss the uses and limitations of the various schools and the key issues they address part ii focuses on individual theorists it provides a more detailed picture of the network of scholars not

always easily pigeonholed into the categories of part i this second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context part iii deals with the vocabulary of literary theory it identifies significant complex terms places them in context and explains their origins and use accessibility is a key feature of the work by avoiding jargon providing mini bibliographies and cross referencing throughout makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

twenty nine collected essays represent a critical history of shakespeare s play as text and as theater beginning with samuel johnson in 1765 and ending with a review of the royal shakespeare company production in 1991 the criticism centers on three aspects of the play the love friendship debate

a superb demonstration of the fact that a serious professional criticism can be focused close a genuine creative career that the two activities are not distinct but lie in one field that field requires all the resources of intelligence moral humanity and logic and these are the qualities that come out in this book in full measure malcolm bradbury new society we are conscious of ourselves as unique historic individuals living together in societies by virtue of certain common assumptions and methods of communication we are conscious that our sense of identity of happiness and unhappiness is defined by small things as well as large we seek to adjust our lives individually and communally to some order or system of values which however we know is always at the mercy of chance and contingency it is this sense of reality which realism imitates and it seems likely that the latter will survive as long as the former david lodge the novelist at the crossroads the novelist at the crossroads contains some of the sharpest and most insightful pieces of david lodge s literary criticism spanning the topics of fiction and catholicism modernism and utopia from the titular essay where lodge defends a critical pluralism to the concluding chapter where he identifies three types of critic the academic the creative writer and the freelancer the essays exhibit lodge s acknowledgement of human beings as fragile yet resourceful and are shot through with a characteristic liberal humanism the most revealing parts of the book however are lodge s critical appraisals of writers as diverse as graham greene muriel spark william burroughs samuel beckett hg wells and john updike the book also includes lodge s short story
