collected here are all ten of stephen deas epic fantasy novels about a world ruled by dragons blood fire sex politics and betrayal combine in this masterful and wide ranging series contains the adamantine palace the king of the crags the order of the scales the thief taker's apprentice the warlock's shadow the king's assassin the black mausoleum dragon queen the splintered gods the silver kings

praised by joe abercrombie and brent weeks alike the dragon fantasy that heralded the arrival of an exciting new talent on the fantasy scene the adamantine palace lies at the centre of an empire that grew out of ashes once dragons ruled the world and man was little more than prey then a way of subduing the dragons through alchemy was discovered and now the dragons are bred to be mere mounts for knights and highly valued tokens in the diplomatic power players that underpin the rule of the competing aristocratic houses the empire has grown fat and now one man wants it for himself a man prepared to poison the king just as he has poisoned his own father a man prepared to murder his own lover and then bed her daughter a man fit to be king but unknown to him there are flames on the way a single dragon has gone missing and even one dragon on the loose unsubdued and returned to its full intelligence its full fury could spell disaster for the empire but because of the actions of one unscrupulous mercenary the rivals for the throne could soon be facing hundreds of dragons stephen deas has written a fast moving and action fuelled fantasy laced with irony a razor sharp way with characters dialogue to die for and dragons to die by

the present cambridge edition of mr lowell's poems contains substantially in the order established by the author the poems included by him not long before his death in the definitive riverside edition of his writings and in addition the small group contained in the last poems collected by his literary executor mr charles eliot norton publisher's note
