extensive history of san diego from the early spanish explorers and missionaries up to world war ii well illustrated

when writing this book the author had two objects prominently in mind first of all to make a faithful collection of all essential facts pertaining to the history of san diego from the day of its discovery by europeans down to the time in which the author was living in the second place to save from oblivion the rich traditions which cluster about the life of old san diego a place which has all but perished from the earth yet which

should ever possess an absorbing interest not only for those who dwell about the shores of san diego bay but for all students of american history one will hardly find another book on the history of san diego that will prove more valuable informative and entertaining than this volume

excerpt from the story of san diego that part of the new world which was to become san diego county in the state of california was discovered from the desert side in 1539 by a monk called father marcos this man who was looking for gold had journeyed from new galicia in northern mexico to the region about the colorado river in search of the seven cities of cibola known in border fable as the opulent and teeming homes of artisans in precious metal arriving at vacapos which he described as a hospitable town the monk sent his companions to spy out the land some of them marched westward to a sierran range and when they reached its top they were able to see the ocean the great waters they said were but forty leagues from vacapos a place which from the distance given must have been within the future limits of san diego about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
