we likely have a dark side but there's also a process that might help us work through that part of ourselves it's called shadow work and involves diving into the unconscious material that shapes our thoughts emotions and behaviors the goal is to make those unconscious fixations such as the pain of a traumatic event part of our conscious awareness so that we can then work on them in therapy those unconscious aspects which are responsible for our impulsive behaviors and a part of our so-called dark side can result from painful experiences trauma and past memories dealing with our past is necessary for healing we must form a new relationship with some of the unlikeable unreasonable wounded parts of our psyche in order to integrate new patterns into our lives this is where shadow work comes into play the shadow self is a side that we may have learned to suppress as a child for instance if we were scolded for throwing a tantrum we may have stored that anger away and put on a more socially acceptable smiling face for the world we were taught early on that being angry was undesirable this anger as well as rage jealousy greed and selfishness are feelings that everyone has but not everyone is comfortable expressing them these suppressed emotions or characteristics are a part of our shadow personality shadow work is all about the unconscious mind which consists of the things that we repress and hide from ourselves such as traumas and shadow personalities our shadow self might show up when we are triggered in our relationships and through varying levels of anxiety and depression and when this seemingly dark side does rise up it might reveal that something about our personality that's worth a closer look anyone can do shadow work though it's best started with a therapist many people may choose to undergo shadow work on their own and in both cases this gorgeous beginner's book of shadows is a complementary tool fundamental for your ongoing healing shadow work process if we remember that there are many people who understand nothing at all about themselves we shall be less surprised at the realization that there are also people who are utterly unaware of their actual conflicts everyone carries a shadow and the less it is embodied in the individual's conscious life the blacker and denser it is if an inferiority is conscious one always has a chance to correct it carl gustav jung

what if the parts of yourself you've been taught to hide from the world actually hold the key to your greatest transformation in shadow work books 1 2 understanding your darker side embracing the dark side of your soul you'll learn how to reclaim who you truly are by confronting the parts of you that were buried long ago those parts that have been pushed down ignored and are filled with anger fear shame or self doubt drawing on ancient wisdom and modern psychology kelly offers practical tools and empowering rituals exercises and insights to help you navigate the depths of your shadow self whether it's uncovering hidden emotions breaking free from limiting patterns or embracing your true potential her book will help lead you on an incredible journey of inner healing this is more than a self help book it's an invitation to work with your soul's shadows and awaken the wisdom they hold within these pages you'll learn to embrace those parts of yourself you've long denied and honor the divine balance of light and dark within soon you'll find that your shadow isn't something to fear but is a source of profound healing and creativity

so this guide is just what you need for many the word shadow work conjures up all sorts of negative and dark ideas because of the beliefs we have of the term shadow it is tempting to believe that shadow work is a morbid spiritual practice or that it is an internal work that includes the more destructive or evil facets of our personalities but that's not the case in fact it is vital for your spiritual growth when you go through a spiritual awakening there comes a point where shadow work becomes necessary so what exactly is the human shadow and what is shadow work the definition of the shadow self is based on the idea that we figuratively bury certain bits of personality that we feel will not be embraced approved or cherished by others thus we hold them in the shadow in brief our shadows are the versions of ourselves that we do not offer to society it includes aspects of our personality that we find shameful unacceptable and ugly it may be anger resentment frustration greed hunger for strength or the wounds of childhood all those we hold secret you might claim it's the dark side of yourself and no matter what everyone suggests they all have a dark side to their personalities shadow work is the practice of loving what is and of freeing shame and judgment so that we can be our true self in order to touch the very depths of our being that is what shadow work means you have to dwell on the actual problems rather than on past emotions if you do so you get to the problems that have you stressed out instantly and easily and to be at peace we need to get in touch with our darker side rather than suppressing it whether you have struggled with wealth weight love or something else after dissolving the shadow within you will find that your life is transforming in both tiny and drastic ways you'll draw more optimistic people and better opportunities your life will be nicer easier and even more abundant the book covers the easiest practices and guided meditation to tap into the unconscious it's going to help you explore certain aspects so that they will no longer control your emotions just imagine what it would be if you could see challenges as exciting obstacles rather than experiencing crippling anxiety this book is going to be the momentum you need to get to where you're trying to be you'll go deeper into your thoughts the beliefs that hold you back disappear and you get a head start on your healing journey in this guide you'll discover what is the human shadow characteristics of shadow do we all have a shadow self how is the shadow born what is the golden shadow the mistake we all make what is shadow work benefits of shadow work tips on practicing shadow work shadow work stages shadow work techniques and practices shadow work mindfulness shadow work faqs covering every bit of shadow work this guide will subtly reveal the root of your fear discomfort and suffering showing you that when you allow certain pieces of yourself to awaken and be you will eventually begin to recover transcend your limits and open yourself to the light and beauty of your true existence now don't bother claim your copy right away

where there's light there are shadows turning your back on your shadow doesn't make it disappear it's still there and always will be because it's part of you it's far better to face it and embrace it in doing so you'll find the happiness power and success you've been searching for this is my second book on shadow work and

within these pages we'll dig in deeper, cover more ground and do more work that leads to ultimate healing and freedom. I'll show you how to view your shadow traits differently, integrate them and use them as a powerful force that can help you in life rather than holding you back. It's not about fixing what's broken but shedding light on those dark parts and understanding every aspect of who you truly are eventually by accepting those less-than-perfect aspects of your personality. You'll be living life as your authentic self and let me tell you, it feels amazing. I'll be honest: shadow work is not easy, nor is it an overnight fix. Many people give up far too soon. After all, it can be overwhelming when faced with all of your demons and dirty laundry, so to speak. That's why I wrote these books. I don't want you to go down this road alone. I've been doing my own shadow work for a long time now and have helped many clients through their journey as well. Let me walk with you as you face and embrace your shadows.
