this collection of essays by american and british authors discusses how the methods and issues of catholic schooling are becoming of increasing interest to non catholic schools due to the catholic method of schooling being perceived as more humane

volume three of three this is a reprint of james bowen s a history of western education originally published by methuen in the 1970s volume three the modern west europe and the new world the final volume covers the period of educational dissent which became conspicuous in the early seventeenth century and reached crisis proportions in the late twentieth when the dominant ideologies of progress and equality generated at the beginning of the nineteenth century were questioned for the first time on a widespread popular scale

in 1988 sandi and larry zobrest sued a suburban tucson arizona school district that had denied their hearing impaired son a taxpayer funded interpreter in his roman catholic high school the catalina foothills school district argued that providing a public resource for a private religious school created an unlawful crossover between church and state the zobrests however claimed that the district had infringed on both their first amendment right to freedom of religion and the individuals with disabilities education act idea bruce j dierenfield and david a gerber use the zobrests story to examine the complex history and jurisprudence of disability

accommodation and educational mainstreaming they look at the family's effort to acquire educational resources for their son starting in early childhood and the choices the Zobrests made to prepare him for life in the hearing world rather than the deaf community. Dierenfield and Gerber also analyze the thorny church-state issues and legal controversies that informed the case its journey to the U.S. Supreme Court and the impact of the high court's ruling on the course of disability accommodation and religious liberty.

As John Henry Newman reflected on the idea of a university more than a century and a half ago Bradley C.S. Watson brings together some of the nation's most eminent thinkers on higher education to reflect on the nature and purposes of the American university today. They detail the life and rather sad times of the American university, its relationship to democracy and the place of the liberal arts within it. Their mordant reflections paint a picture of the American university in crisis but they also point toward a renewal of the university by redirecting it toward those things that resist the passions of the moment or the pull of mere utility. This book is essential reading for thoughtful citizens, scholars and educational policymakers.
