a passion for nature is the most complete account of the great conservationist and founder of the sierra club ever written it is the first to be based on muir s full private

correspondence and to meet modern scholarly standards yet it is also full of rich detail and personal anecdote uncovering the complex inner life behind the legend of the solitary mountain man it traces muir from his boyhood in scotland and frontier wisconsin to his adult life in california right after the civil war up to his death on the eve of world war one

largely using the muir s own words the author looks at the experiences places and people that inspired and informed the naturalist s words and beliefs selected and commented on by the author of your daily life is your temple original

this pulitzer prize winning biography is available in an updated paperback edition working closely with muir s family and with his papers wolfe was able to create a full portrait of her subject not only as america s firebrand conservationist and founder of the national park system but also as husband father and friend illustrations

john muir s extraordinary vision of america comes to life in these fascinating selections from his personal journals as a conservationist john muir traveled through most of the american wilderness alone and on foot without a gun or a sleeping bag in 1903 while on a three day camping trip with president theodore roosevelt he convinced the president of the importance of a national conservation program and he is widely recognized for saving the grand canyon and arizona s petrified forest muir s writing based on journals he kept throughout his life gives a view of the american landscape before it was largely settled by farms and towns in the wilderness world of john muir edwin way teale has selected the best of muir s writing from all of his major works including my first summer in the sierra and travels in alaska to provide a singular collection that provides to be magnificent thrilling exciting breathtaking and awe inspiring kirkus reviews

john muir america s pioneer conservationist and father of the national park system was a man of considerable literary talent as he explored the wilderness of the western part of the united states for decades he carried notebooks with him narrating his wanderings describing what he saw and recording his scientific researches this reprint of his journals edited by linnie marsh wolfe in 1938 and long out of print offers an intimate picture of muir and his activities during a long and productive period of his life the sixty extant journals and numerous notes in this

volume were written from 1867 to 1911 they start seven years after the time covered in the story of my boyhood and youth muir s uncompleted autobiography the earlier journals capture the essence of the sierra nevada and alaska landscapes the changing appearance of the sierras from sequoia north and beyond the yosemites enthralled muir and the first four years of the journals reveal his dominating concern with glacial action the later notebooks reflect his changes over the years showing a mellowing of spirit and a deep concern for human rights like all his writings the journals concentrate on his observations in the wilderness his devotion to his family his many warm friendships and his many sided public life are hardly mentioned very little is said about the quarter century battle for national parks and forest reserves the notebooks record in language fuller and freer than his more formal writings the depth of his love and transcendental feeling for the wilderness the rich heritage of his native scotland and the unconscious music of the poetry of burns milton and the king james bible permeate the language of his poetic fancy in his later life muir attempted to sort out these journals and at the request of friends published a few extracts a year after his death in 1914 his literary executor and biographer william frederick bad also published episodes from the journals linnie marsh wolfe set out to salvage the best of his writings still left unpublished in 1938 and has thus added to our understanding of the life and thought of a complex and fascinating american figure

biographer steven j holmes once wrote that john muir was one of the patron saints of twentieth century american environmental activity in his lifetime the engineer author biologist and activist worked alongside powerful men such as president theodore roosevelt railroad executive e h harriman and conservationist gifford pinchot muir was responsible for the creation of the sierra club and he played an important role in preserving the yosemite valley and sequoia national park during his lifetime muir published six different volumes of nature and personal writing after his death in 1914 four more volumes were discovered and released in an autobiography of john muir editor stephen brennan brings to light the many accomplishments of muir s life through the naturalist s own nonfiction works including the story of my boyhood and youth and my first summer in the sierra through the essays featured in this book readers will learn of muir s childhood which was split between scotland and a farm in wisconsin they will travel the world with him from the high mountains
