a person can have many soul mates in a lifetime but each person has only one twin soul in

each life this belief taught to me by my grandmother is one that has always filled me with wonder as a young child she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls the legend is as old as creation itself it is said that as the creator was making human beings he was surrounded by souls to place in them the creator decided to take a single soul and split it in half creating twin souls he then took the two twin souls and touched them together as light as a butterfly's kiss the twin souls were then separated and placed respectively into man and woman the creator lightly touched them together so that when they meet one day they will recognize the other's soul as their twin this is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever i am sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother shetawahki who is a revered elder and medicine woman of the lakota sioux nation and part of the roaming wolf sioux tribe

this is how you search for a mate it only works if you actually use it having a true friend a lot of people use the word too loosely i believe that most people don't know what a real friend is but i do and i will share my thoughts you see a true friend is someone who doesn't play games with your feelings and doesn't give false hope to you a true friend is a person who guides you in a positive way who takes it upon themselves to be true confidant to you and doesn't reveal any personal secrets a true friend is someone who doesn't put you in danger or dangerous situations a true friend is understanding loving and a positive influence on your character a friend like this can turn into the true mate that you may be in search for if this is the type of mate you want then you must seek this type of friend give the friendship 6 mos to a year then if permitted turn it into a relationship something to think about by published answers
