the witch is a uniquely powerful image in western society it is a symbol alternately vilified ridiculed and

idealised by differing sectors of society and is a powerful symbol in western mythology this book traces the evolution of the modern representations of witchcraft and paganism from the popular imaginings of witchcraft in 16th century england to their contemporary manifestations amongst neo pagan and wiccan religious movements in america australia and great britain today tracing how this symbol is continually constructed and reconstructed by the neo pagan movement is indicative of broader social political and cultural issues arising out of the interaction of romantic and enlightenment epistemes in western society central to this process is the locating of representations of witchcraft within the twin discourses of romanticism and enlightenment modernity beginning with the aftermath of the english witch hunting craze of the 17th century the book examines how the witch transformed from a symbol of ridicule during the enlightenment to an idealised symbol of romantic rebellion which led to its systemic adoption by romantic religious and political movements along the path it examines the development of the neo pagan movement from 19th century romantic pagan revivals to gardner s wiccan movement the sixties counter culture the rise of eco feminist neo paganism and the contemporary phenomena of teen witches and pop commercialization this book is part of the ritual studies monograph series edited by pamela j stewart and andrew strathern department of anthropology university of pittsburgh modern paganism is still in the process of finding its history dr waldron brings to the quest a very wide knowledge of all aspects of the subject and a good grasp of cultural theory he is fair to all the players in a notoriously complex and fractious field and covers it deftly and evenly deploying his learning and his intellectual models with a light but sure touch ronald hutton professor of historical studies bristol university waldron s identification and critique of the core aspects of the modern witch s identity provide what should be seen as an invitation for practitioners to remove our rose coloured glasses approach to our own history and instead to take on board the results of rigorous investigation for the general public by whom witches are so often misunderstood an academic examination of the movement can only enhance the likelihood of tolerance and understanding that are the essence of religious pluralism caroline tully witchcraft magazine david waldron has done the scholarly community neo pagans and anyone interested in the study of neo paganism and witchcraft a great service with this volume in addition to its historical cultural and social overview of the subject matter it makes for an interesting study in the construction of identities and symbolism within witchcraft i highly recommend this book john w morehead senior editor sacred tribes journal and director western institute for intercultural studies waldron does an excellent job of summarizing the history of the english witch trials their end and the development and commercialization of the witchcraft and pagan movements the book will

be useful for those who want to begin exploring that history as well as to scholars of ideas who want to consider and investigate his basic thesis of the relationship between the romantic and the enlightenment epistemes helen a berger west chester university journal for the scientific study of religion

tired of the politics and dogma of the christian church thousands of spiritual seekers have found the answers in co creation spirituality a progressive formulation of doctrine and ritual that bridges the gap between wiccan ideology and the original intent of the christian mysteries cauldron of transformation refreshingly approaches spirituality from an unbiased view and proclaims the truth and beauty of five religious traditions celtic druidism buddhism christianity santeria and shamanism lady sabrina teaches you how to blend and combine the wisdom of these different traditions into a living spiritual system of your own
